Rules:

1. Participants are solely responsible for their safety.
2. Rider classification is determined by the meet referee.
3. No rider under the legal age of majority in the state in which the meet takes place may compete without the written consent (signature on liability releases and entry forms) of his/her parents.
4. All race personnel, officials, riders, support person, anyone associated with the riders shall not consume or be under the influence of intoxicants or drugs that could affect their normal mental or physical ability.
5. All riders and other race personnel shall assess for themselves the track, facilities, existing conditions and other matters relating to safety. The Houghton County Fair Association cannot and does not undertake to supervise any competition. All riders and race personnel shall rely on their own judgment and assume all risks of participating in competition in any manner.
6. The referee has the power to disqualify any motorcycle that does not conform to the rules, and he may inspect any part of a motorcycle entered.
7. A helmet shall be worn during all competition. All helmets shall be full coverage or full-face models.
8. Long sleeves shall be worn in all competition. Boots shall be worn in all meets.
9. No minimum age requirement for any riders.
10. Rider + 1 assistants are allowed to enter fairgrounds without paying gate admission.
11. Race referee is Jim Marietta.
12. All Quads (4-wheelers) shall have visible rider numbers for scoring. NO EXCEPTIONS!
13. All classes are payback classes.
14. Classes are subject to a minimum number of riders. Race referee will decide which classes will run and the order in which they will run.
15. Attendance at riders meeting is MANDATORY.
16. Referee will decide scoring method depending on number of entries.
17. It is the riders responsibility to find out which scoring method will be used prior to racing.
18. NO TENTS, 1 vehicle due to limited space in pit area.

Ed's Used Parts and Big T Towing**

**Show on Friday at 7:30 pm EST
following Tractor Pull**

**All vehicles must be in by 6:30 pm EST unless
other arrangements are made with the
Superintendent.**

**PLEASE FOLLOW THESE RULES TO INSURE A
SPEEDY INSPECTION.**

Feel free to call Tim (370-2960) with any questions prior to Off Road Derby.

Entry Fee: \$25
Registration form must be submitted with entry fee.

Notes:
There shall be separate feature heats for trucks and cars due to the increase in truck entries over the past years. Minimum of 4 trucks needed to have a truck derby.
Race will run Counter-clockwise.
Superintendents assign car numbers.
Only the racing vehicles and tools are allowed in arena, not extra vehicles.
10 lap heats, 15 lap feature.
No hitting! Pushing from rear ok.

GENERAL EXPLANATION – The Off Road Derby is designed and promoted as an unusual spectator sport. In the interest of safety, anyone entering is subject to and shall obey

the following rules and regulations that are set-up by the Houghton County Fair Association.

The driver shall fill out an entry form. All competitors and mechanics must sign waiver of liability on the entry form. Only one entry per person. Entry is non-transferable. The officials reserve the right to approve or reject any and all entries.

Only drivers and mechanics that have signed the release sheet will be permitted in the pit area on the track, limited to one driver and two mechanics. Identification badges provided by the Fair Association must be worn at all times.

No car/truck is permitted on the track before the heat in which they are to participate.

Any driver, vehicle owner, or mechanic with inappropriate behavior (such as foul language, fighting, nudity, drug use, the use of intoxicating beverages, etc.) before, during, or after the show disqualifies the car/truck and crew of the offending parties and causes forfeiture of any winnings.

ALL DRIVERS SHALL OBEY THE SUPERINTENDENT AND ALL STEWARDS!

THE DECISION OF THE SUPERINTENDENT AND STEWARDS WILL BE FINAL. All protests shall be brought to the superintendent for a final decision.

Street approved full safety helmets, shirts, long pants and shoes shall be required during competition. This includes drivers during the mechanic's race.

All participants shall memorize the following flags and KNOW what they mean: GREEN flag-START of HEAT/ALL OK; YELLOW flag-CAUTION, SLOW DOWN, NO PASSING; RED flag-STOP; BLACK flag-DISQUALIFIED HEAD FOR PITS; WHITE flag-ONE

LAP TO GO; CHECKERED flag-RACE OVER.

Monetary awards will be issued 3-4 weeks after the fair.

All cars/trucks shall be in by 7:00 pm unless other arrangements are made with the Superintendent. The driver's meeting will take place at 7:45 pm, the location will be determined during the day of the event at the discretion of the superintendent. All drivers and mechanics shall attend.

A heat winner shall drive the same vehicle in the feature heat that they drove in their winning heat.

Vehicles decorated in poor taste will be rejected. Entry fees will not be refunded for "no shows" or for vehicles that do not pass inspection.

CAR/TRUCK SAFETY/TECHNICAL REGULATIONS

CARS: Any two wheel drive front engine, hard top automobile, or station wagon is allowed. No mini-vans, Jeeps, Carry all, four-wheel drive vehicles, SUV's, etc. allowed.

SAFETY BELTS: Safety belts are required, This shall be a seat belt with shoulder belt securely fastened. Use of a racing harness is strongly recommended. **TRUCKS:** If vehicle is not equipped with a shoulder belt, then one shall be installed. (example - regular seat belt may be used as a shoulder belt, provided it is bolted behind the driver's seat and crosses over the body and mounts on the floor.)

SEATS: DRIVER/OTHERS: CAR: The driver seat shall be a high back bucket seat or a bench seat with a headrest. **TRUCK:** To prevent whiplash, if the stock driver's seat does not have a head rest or is not a high back seat, then you shall install two 1.5 inch diameter (minimum) pipes/bars securely mounted behind the driver's seat from the **floor to the ceiling of the cab at a distance to prevent the driver's head from passing** between the bars. Padding is allowed in this mounted area
