

Going to Houghton County Fair

On August 23rd, I will be going to the Houghton County Fair. Several of the Fair activities are outside and located in different areas of the fairgrounds so I will want to be sure to wear comfortable clothes and shoes. Before I go, I may want to pack the things that will help me have a fun time at the Fair like snacks, water, headphones, and my favorite object.

When I arrive, I will start at the ticket gate to enter the Fair. There a helper will take my ticket and will place a stamp on my hand. Then I will walk through the gate.

After I walk through the gate, I need to visit the Skerbeck trailer to get my wrist band so I can enjoy the rides. When I get to the trailer a helper will place a wrist band on my arm. This band will allow me to ride the carnival rides. Then I can check out the fun activities at the Fair.

I can visit animals in the barns or at the petting zoo. I can only touch or pet the animals in the petting zoo because they like being touched. The animals in the barns might get scared or bite if I try to touch them.

I can go on rides. There will be many rides that I can go on. I might need to wait in line before getting on the ride because there will be other people enjoying the Fair just like me.

There are many things to do at the Fair! I can plan my day with help from my family or friends. I can visit the Houghton County Fair website, <http://houghtoncountyfair.com/>, for more information before my visit.

I will remember to stay with my family or friends and be sure to follow all of the rules for the day at the Fair. I will ask to take a break and go to the quiet area when the noise, sounds, smells, and lights are too much. After taking a break, I can return to the activities.

Once my family or friends and I are done with the activities, we can leave the Fair
